

Pop up Straight Display

SETUP INSTRUCTION

ITEMS INSIDE THE BOX

(1) Frame

(2) LED Lights
(Optional)

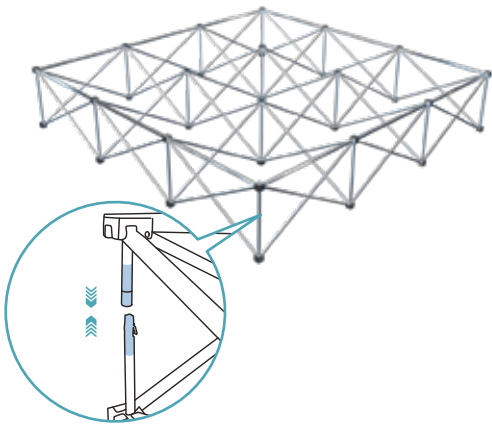

(1) Backdrop Graphic

01

EXPAND

Lay the pop up frame on the floor, with the front of the display facing up. Expand the frame to the sides while its laying.

Match numbers 1 to 1,2 to 2, etc.

CONNECT

02

Aligned completely the frame start connecting the arm locks securely.

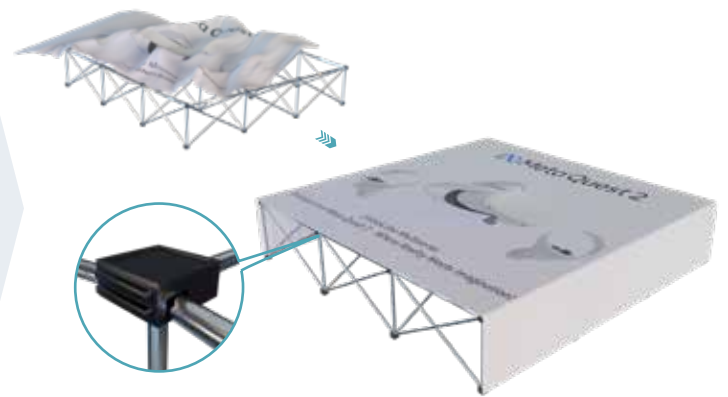

It helps to have a second person to pull the other side simultaneously.

03

INSTALLING

Identify the top of the frame by locating the light connector hubs. Starting from top corners, attach the graphic to the frame by aligning along the velcro strips.

Once the front is secure, wrap and attach the graphic to the sides and back.

ATTACHING LED LIGHTS (OPTIONAL)

04

Attach the light with the connector hubs on the top of the frame and you are ready to use your Pop up Display.

You can adjust the frame alignment by having a person on each side. Gently shift the top corners until the display stands completely straight.
