PMS COLORS: We print all artwork in process color (CMYK). All PMS colors will be converted and matched to their process color equivalents. PLEASE BE ADVISED

During the printing and manufacturing process your artwork may shift up to .125" in any direction.

Because of slight shifting in the production of the bags, it is best to have the artwork/color of the TOP SEAL match the BOTTOM SEAL. This will ensure that if shifting occurs the bags will still look seamless and not have a thin strip of misplaced artwork/color.

Dashed Line For Imprint Area Only. Will Not Print.
